RESPONSE TO NOTIFICATION

Applicant responds to the Notification of Defective Response dated 08/09/2002, as follows.

In the Claims and Abstract:

Applicant encloses pages 25 and 26 of the English-translated specification. Page 25 contains the original claims 1-4, and page 26 contains the English-translated Abstract. The Abstract is unchanged from that submitted earlier, but now includes a new page number.

REMARKS

The above-mentioned Notification requests applicant to supply a copy of the English-translated claims. These claims were already included in the Preliminary Amendment filed in this case, as mentioned in point 1 of the Response to Notification of Missing Requirements [Etc.]. Nevertheless, they are being submitted again, as requested in the Notification dated 08/09/2002, although in the form of a numbered pages of the specification.

~~Applicant requests entry of the original claims and Abstract into the subject application.~~

I certify that the foregoing document is being mailed by first-class mail, postage prepaid to the above address on the date stated below.
